SPEAKER PROFILE

Gregory SHAFFER

Gregory Shaffer is the LabSim and IT Pro Product Manager for TestOut Corporation.

Shaffer joined TestOut in 2007 as an instructional designer, and for 8 years developed the software used in TestOut's IT Pro product line, eventually becoming the Product Development Manager. With over 12 years of professional courseware development experience, Shaffer is a leader in instructional design, software development for learning and training, and simulating real-to-life experiences for an array of learners.

Shaffer holds a BA in Communications and Business (Cum Laude) from Brigham Young University and a Masters of Instruction Technology (MEd) degree from Utah State University. He also holds several TestOut, CompTIA, and Cisco certifications.
