NCU EdTech

SPEAKER PROFILE

Winston Fletcher

Trained professional with proven leadership and managerial competence, developed from over 25 years of senior management appointments. Graduate of UTech & UWI, with certification in engineering and management, MBA in International Business and BSc (Hons) in Management. A contemporary career professional, his career traverses the disciplines of engineering and manufacturing, culminating in education and training, where he continues to distinguish himself in educational leadership. He has distinct competencies in the areas of leadership and strategic management, talent management, negotiating, and behavioral interviewing techniques.

A recipient of scholarships and fellowships, Mr. Fletcher has undertaken specialized graduate training and professional development programmes, both locally and internationally. A visionary and critical thinker, he has an impressive record of service within the private and public sector, utilizing these synergies in leveraging the Employment & Career Services Department of the HEART Trust/NTA to respond to stakeholders needs, locally, regionally and internationally.

His civic mindedness allows him to volunteers his services to many organizations, including serving as; President - St. Catherine Cooperative Credit Union, 2nd Vice President - Jamaica Cooperative Credit Union League, Director – Credit Union Fund Management Co Ltd, Centralized Strategic Services Ltd, Quality Network Ltd (QNET) and the Jamaica Apprenticeship Board.

Mr. Fletcher is married to wife Carol, and has three children. He enjoys playing cricket and dominoes, and watching football and track and field.
